Bringing us closer

Participants and Enthusiasts,

Thank you for your attendance and support of the Pensacola Sports High School All-Star Series. Pensacola Sports and event sponsors the Andrew's Institute and Academy Sports + Outdoors would like to express our deepest gratitude for your participation in our annual All-Star Sports Series. Also, thanks to the administration and athletic directors of all the high schools involved in this series.

As you know, our area high schools produce some great young men and women in and out of athletics. Students strive each year to have the honor to compete in these games where they not only get to play with neighboring schools but to play one last high school game in front of family, friends, teammates, coaches, college and professional scouts. Over 400 players participate in the series each year and we are so fortunate to have the opportunity to showcase the best and brightest athletic stars in the Northwest Florida area.

Since 1955, Pensacola Sports has worked continuously to support the development of amateur and professional sports throughout the Northwest Florida region. Your participation will help further that mission, especially with the support of the players, coaches, parents, and sponsors who make this game possible. Through the years, we have partnered with community members in an effort to expand the all-star series to include volleyball, football, soccer, basketball, baseball, and softball. None of this would be possible without your continued interest and encouragement.

You can visit us online at pensacolasports.org for additional information on all our programs and events or call us at 850-475-4960.

Again, on behalf of Pensacola Sports, its Board of Directors, and event sponsors, thank you and enjoy the game!

Sincerely,

Doug Bates

Pensacola Sports Board Chair
